All our double rifles, 88 B Sidelocks and 89 B Boxlocks with ejector as a standard, no double without ejectors.

The Express Magnum Bolt Action Rifle we build also in the caliber .505 Gibbs for an additional price, 3 cartridges in the magazine box and 1 in the chamber ( 3+1 ). Furthermore we offer also the caliber .450 Rigby

The Heym SR 21 Classic was designed to match the look of a Holland&Holland Bolt Action Rifle from the past, but for a very affordable price. It has a Holland&Holland stock design from the 1920s and English cheekpiece to shoot better. The weight of the rifle is 3,1 kg. We build this rifle until the caliber .375 Ruger, starting from .222 Rem.

In general Heym offers for the SR 21 a real left handed version without an additional price.

We have introduced a Dezima stock for the shorter hunter with a smaller hand and shorter fingers, one with no cheekpiece and the other option is with Bavarian Cheekpiece. The Dezima stock carries an additional price.
